

Recap on the Turin UZDOC 2.0. Knowledge-sharing event

Pulatkhon Lutfullayev

UZDOC 2.0 meetings: **Roundtable with business & industry
representatives from Uzbekistan**

Tashkent Financial Institute, October 2, 2018

PhD for industry (PoliTO's experiences)

- Technical entrepreneurship education (helps to bridge the gap between research and entrepreneurship),
- Initiatives and projects related to entrepreneurial education for PhD students in PoliTO within the European innovation academy
- The number of PhD students involved in entrepreneurial activities are growing.
- The number of PhD students' patents and spinoffs are increasing.
- PhD are more interested in entrepreneurship courses (CoACH project in PoliTO,).

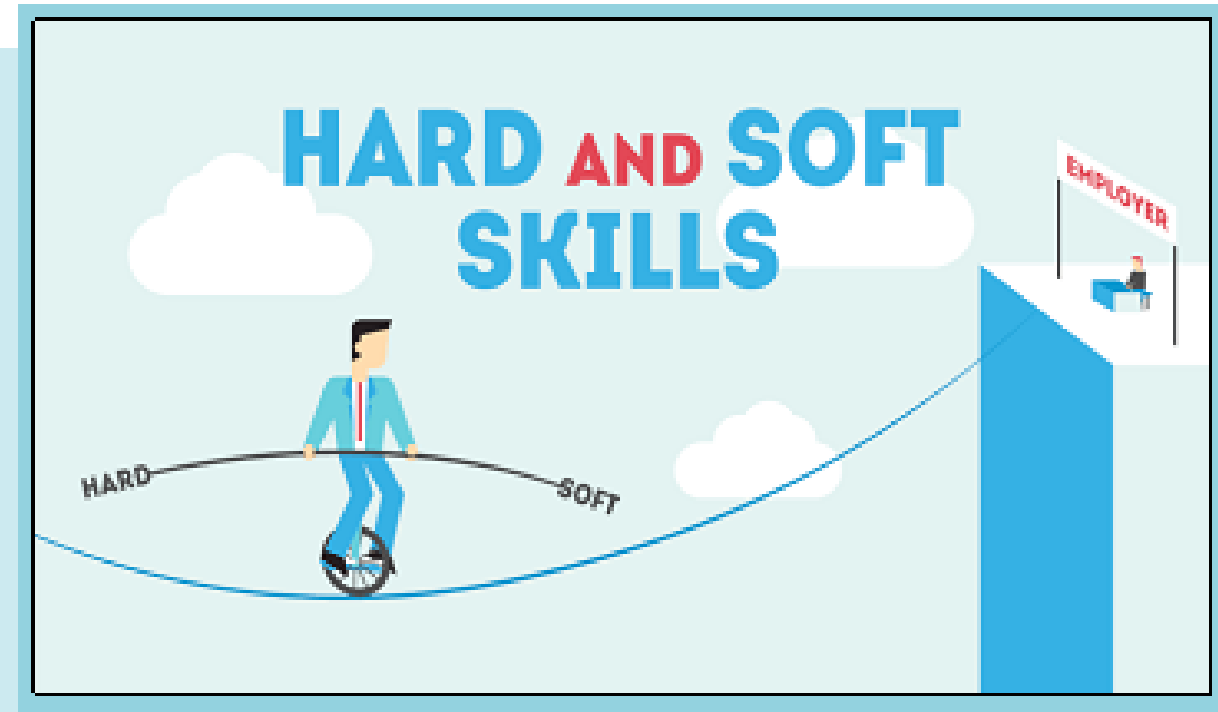

Co-funded by the
Erasmus+ Programme
of the European Union

Hard skills: specific knowledge and abilities required for success in a job.

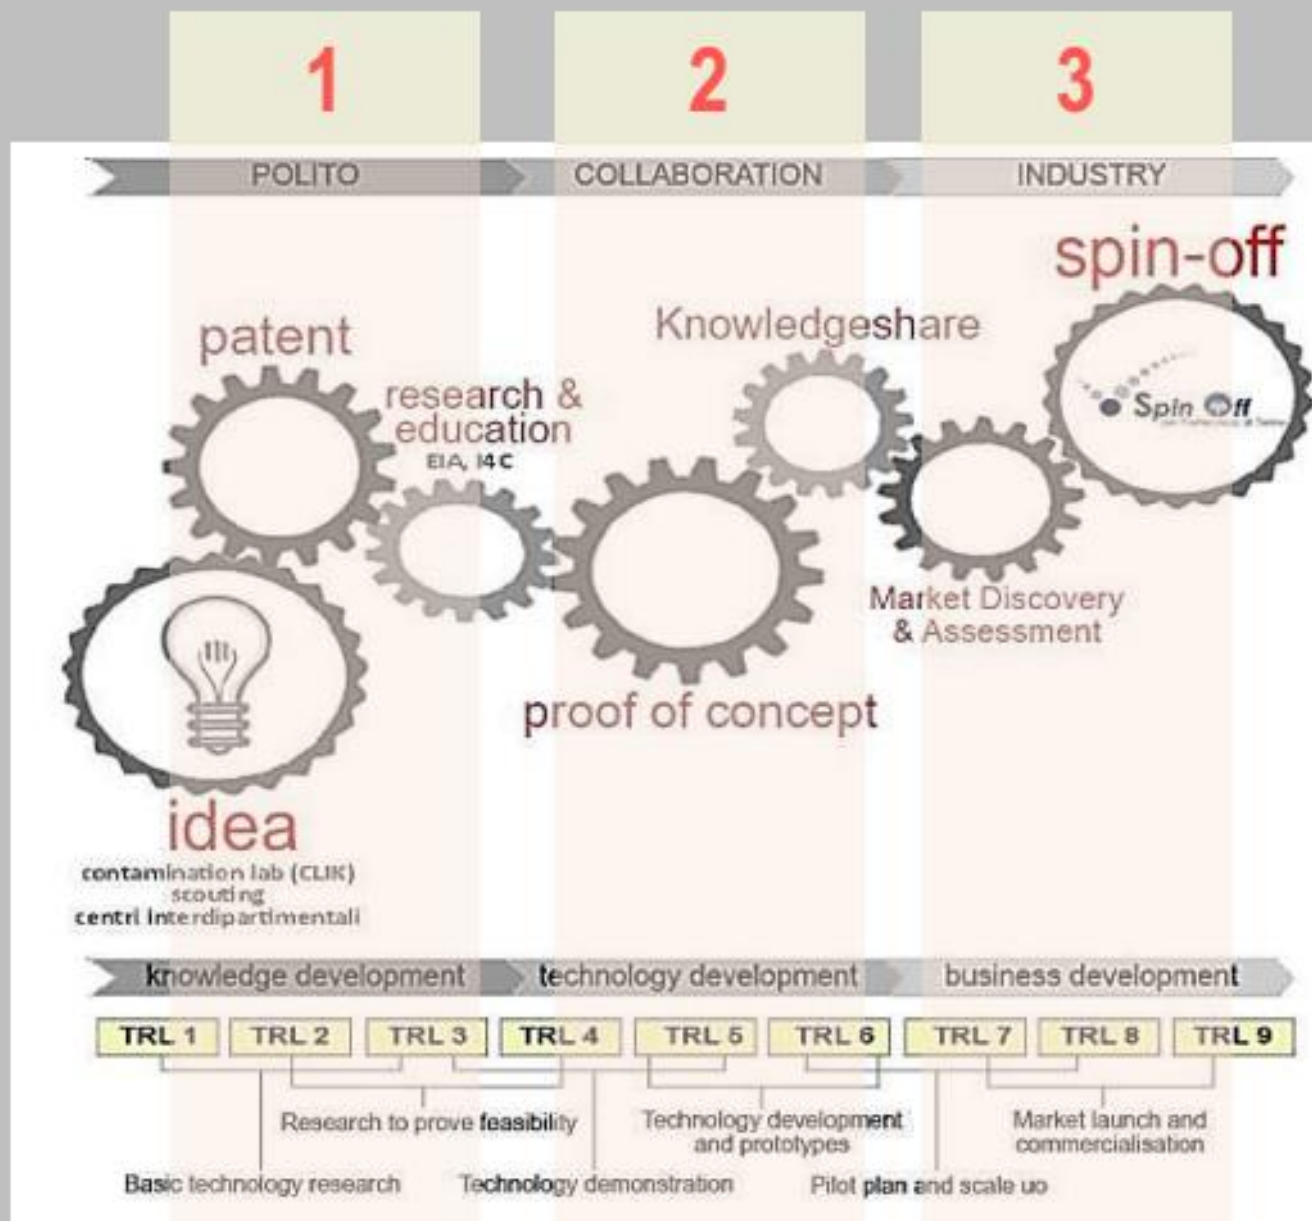

Examples of hard skills include computer programming, web design, typing, accounting, finance, writing, mathematics, legal and other quantifiable skills that are included in the requirements for a job.

Soft skills: characteristics such as leadership, empathy, communication, etiquette and more skills that aren't as quantifiable as hard skills

- Vice Rector for the Technology Transfer,
- Technology Transfer and Industrial Liaison,
- Interdepartmental Laboratory for Technology Transfer,
- Entrepreneurship and Innovation Center.

FROM IDEAS TO INDUSTRIES

Thank you !
